COMPLAINT FOR  
DECLARATORY AND  
INJUNCTIVE RELIEF

BY FAX

19  
20 INTRODUCTION

21 1. Plaintiff the Mesa Grande Band of Mission Indians ("Mesa Grande") brings this  
22 action for administrative writ of mandate, declaratory relief and injunctive relief against  
23 Defendants to set aside patents for certain Indian lands within the Santa Ysabel Reservation in  
24 Southern California and to issue new patents that reflects the historic use and possession of such  
25 lands by Mesa Grande.

26 2. Mesa Grande has no adequate administrative remedies. Mesa Grande has  
27 repeatedly requested that Defendants comply with their obligations and redress the breaches of  
28 trust herein complained of, without success. Mesa Grande has exhausted all avenues of redress

CR

1 other than this action, and only this Court can provide Mesa Grande the relief to which it is  
2 entitled.

### 3 PARTIES

4 3. Mesa Grande is a federally recognized American Indian Tribe in southern  
5 California. The Mesa Grande Reservation is located near the town of Santa Ysabel, California in  
6 the hills above the Cleveland National Forest.

7 4. Defendants are the officers empowered by Congress to administer affairs related to  
8 land patents held in trust for American Indian Tribes. Defendants are charged with the proper  
9 discharge the United States' duty to hold in trust 55.7 million acres of land for American Indians,  
10 Indian tribes, and Alaska Natives.

11 5. Defendant Kempthorne is Secretary of the Interior and chief officer of the  
12 Department of the Interior, and as such is charged by law with carrying out the duties and  
13 responsibilities of the United States as trustee for Mesa Grande.

14 6. Defendant named herein as DOE 1 is the Assistant Secretary of the Interior-Indian  
15 Affairs and head of the Bureau of Indian Affairs ("BIA") within the Department of the Interior.  
16 As such, the Assistant Secretary is the delegate of Defendant Kempthorne for carrying out certain  
17 of his responsibilities with respect to the trust duties for Mesa Grande. Mesa Grande sued DOE 1  
18 under a fictitious name because the true name is not known to Mesa Grande at this time. Mesa  
19 Grande will amend this Complaint to insert the true names and capacities when ascertained.

20 7. Defendants named herein as DOES 2 to 100, and each of them, are sued under  
21 fictitious names because their true names and capacities are not known to Mesa Grande at this  
22 time. Mesa Grande will amend this Complaint to insert their true names and capacities when  
23 ascertained. Mesa Grande is informed and believes and thereon alleges that each of the  
24 fictitiously named Defendants is responsible in some manner for the occurrences herein alleged,  
25 and that Mesa Grande's injuries as herein alleged were proximately caused by such Defendants.

### 26 JURISDICTION AND VENUE

27 8. Jurisdiction is proper in this Court under 28 U.S.C. § 1331 (federal question) and  
28 28 U.S.C. § 1346 (federal defendant). Jurisdiction is further proper under 28 U.S.C. § 1361, in

1 that this action is an action of mandamus to compel an officer or employee of the United States to  
2 perform a duty owed to Mesa Grande.

3 9. The Court also has jurisdiction under 28 U.S.C. § 1362, which vests district courts  
4 with "original jurisdiction of all civil actions, brought by any Indian tribe or band with a  
5 governing body duly recognized by the Secretary of the Interior, wherein the matter in  
6 controversy arises under the Constitution, laws, or treaties of the United States." There is a  
7 present, actual, and justiciable controversy between the parties; the requested relief is, therefore,  
8 proper under 28 U.S.C. § 2201 (declaratory relief) and § 2202 (injunctive relief).

9 10. Venue is proper under 28 U.S.C. § 1391(e), in that the relevant events occurred  
10 and are occurring in this district.

#### 11 **FACTUAL AND LEGAL BACKGROUND**

12 11. On December 27, 1875, President Ulysses S. Grant issued an executive order to set  
13 aside approximately 15,000 acres for the Mission Indians known as "Santa Ysabel—including  
14 Mesa Grande." This was followed by another executive order in 1883, which set aside a 120-acre  
15 tract for the "Mesa Grande Indian Reservation."

16 12. On January 12, 1891, Congress enacted a statute, entitled "An act for the relief of  
17 the Mission Indians in the State of California," that established a three-person commission to  
18 select "a reservation for each band or village of the Mission Indians residing within said State,  
19 which reservation shall include, as far as practicable, the lands and villages which have been in  
20 the actual occupation and possession of said Indians." The selection of each reservation would be  
21 valid when approved by the President and the Secretary of the Interior. 26 Stat. 712, § 2.

22 13. Based on the 1891 act, the Smiley Commission was charged with determining  
23 where the Mission Indian Bands were living. The resulting report was approved by President  
24 Benjamin Harrison by executive order dated January 29, 1891, and authorized patents for more  
25 than 15,000 acres (known as Tracts One, Two, and Three) to the Santa Ysabel Band, "including  
26 the Mesa Grande," and for 120 acres solely for Mesa Grande. The patents were issued on  
27 February 10, 1893.

28 ///

1           14.     The patents for the Santa Ysabel Band created by the Smiley Commission were a  
2     mistake and did not accurately reflect the intentions of the United States to issue patents for  
3     Tracts One and Two to Mesa Grande. Indeed, almost from the start, the Smiley Commission's  
4     conclusions were called into questions by Mesa Grande and the federal government. In  
5     correspondence from 1925 to 1971, Defendants admitted that the land patents were made  
6     erroneously, in that the Tracts One and Two were historically occupied and used by Mesa  
7     Grande, not the Santa Ysabel Band. Congress also expressed an understanding that Mesa Grande  
8     was the proper patentee for Tracts One and Two by twice granting land to Mesa Grande, in 1926  
9     and 1988, adjacent to the tracts. 44 Stat. 496; 102 Stat. 2938. Indeed, in 1926, Congress granted  
10    80 acres to Mesa Grande "for the occupancy and use of the Indian of the Mesa Grande  
11    Reservation, known also as Santa Ysabel Reservation Numbered 1." 44 Stat. 496. Furthermore,  
12    all area maps refer to the land as "Mesa Grande" and both the Department of Housing and Urban  
13    Development and the Bureau of Indian Affairs have treated the land as if it belongs to Mesa  
14    Grande when disbursing funds.

15           15.     Despite widespread recognition that Mesa Grande is the rightful owner and  
16    occupant of Tracts One and Two, Mesa Grande was informed in 1991 that they could not make  
17    improvements on Tracts One and Two without the approval of the Santa Ysabel. Since that time,  
18    Mesa Grande have been prevented from its lawful use, possession, and ownership of Tracts One  
19    and Two, including, but not limited to:

- 20           • Since the 1990s, the BIA has awarded road improvement grants to Santa Ysabel—not  
21           to Mesa Grande. Despite receiving such monies, Santa Ysabel has not improved the  
22           road systems on Tracts One and Two and has prevented efforts by Mesa Grande to do  
23           so. This has seriously affected Mesa Grande tribal members, particularly because  
24           emergency vehicles cannot gain passage.
- 25           • Santa Ysabel has expressly prohibited Mesa Grande from conducting any projects on  
26           Tracts One and Two, including, but not limited to, Housing Improvement Program  
27           ("HIP") housing, road maintenance, Housing and Urban Development housing, Indian  
28

1 Health Service water and sewer services, woodcutting of any kind, and any type of  
2 economic development.

- 3 • Since 2003, Mesa Grande has been unable to obtain HIP homes for tribal members,  
4 including some of the tribal Elders, because Santa Ysabel has been unwilling to agree  
5 to appropriate lease terms.
- 6 • Santa Ysabel has repeatedly denied Mesa Grande access to ancestral grounds,  
7 including areas where tribal members are buried.
- 8 • Since 2005, Santa Ysabel has been directing additional members to Tracts One and  
9 Two for their occupancy, contrary to the interests of Mesa Grande.
- 10 • Mesa Grande members living on Tracts One and Two have been unable to make  
11 improvements to their homes or construct fencing for their livestock due to  
12 interference by Santa Ysabel.

13 Examples of communications from Santa Ysabel to Mesa Grande tribal members interfering with  
14 such rights are attached hereto as **Exhibit A**. Mesa Grande is unable to occupy and possess its  
15 lands or to take action to improve its lands, and, thus, has been deprived of the benefits of  
16 ownership and quiet enjoyment.

17 16. Defendants have been aware of its error in issuing the patents for Tracts One and  
18 Two at least since 1925 and the impacts of such error on Mesa Grande, but have failed to take any  
19 action to remedy its actions. Specifically, Defendants have the power and obligation to reform  
20 the patents to remedy their errors and to ensure the proper exercise of their trust duties. Mesa  
21 Grande has requested repeatedly, without success, that Defendants to comply with their  
22 obligations and redress the breaches of trust herein complained of. Defendants have, thus, failed  
23 to exercise their mandatory duties in the manner required by law. As a consequence of these and  
24 other acts of mismanagement in breach of trust and errors committed by Defendants, Mesa  
25 Grande has been prohibited from full use, possession, control, and enjoyment of its tribal lands at  
26 least since 1991.

27 ///

28 ///

## EXHAUSTION OF REMEDIES

17. Mesa Grande has performed all conditions precedent to the filing of this complaint. In 1976, in an attempt to alleviate the confusion surrounding the proper ownership of Tracts One and Two, Administrative Law Judge ("ALJ") William E. Hammett held a series of administrative hearings. In his decision, ALJ Hammett held that Mesa Grande had shown by the preponderance of the evidence that the Smiley Commission's report was erroneous. However, ALJ concluded that reissuance of the patents to Tracts One and Two was beyond the scope of an administrative hearing, but held that a federal court would be the proper forum for such a remedy. Accordingly, Mesa Grande has exhausted its administrative remedies.

18. Mesa Grande has no plain, speedy, and adequate remedy in the ordinary course of law, other than the relief sought in this Complaint.

## FIRST CAUSE OF ACTION

### (Violation of Administrative Procedure Act – 5 U.S.C. §§ 701-706)

19. Mesa Grande incorporates allegations 1 through 18.

20. Defendants have statutory and general trust duties to manage Indian resources and lands for the benefit of Indians. 25 U.S.C. § 348; *United States v. Mitchell*, 463 U.S. 206 (1983). As a result, Defendants have a fiduciary duty to Mesa Grande that the lands held in trust by the United States are properly managed, supervised, and controlled so that the best interests of Mesa Grande are served and the property rights of Mesa Grande are not alienated.

21. Defendants have continuously and egregiously failed to comply with these and other responsibilities of a trustee and continue to do so. Such breaches of trust include, without limitation:

a. Failure to remedy the mistakes in the patents by reforming the patents, despite express recognition that the patents were erroneous and did not accurately reflect the use and occupancy of Mesa Grande.

b. Failure to prevent others from interfering with the rights of Mesa Grande to fully use and occupy its tribal lands, including, but not limited to, the full use and enjoyment of

1 ancestral lands, the procurement of home loans ,and the installation of improvements (including  
2 to roads, homes, and fences).

3 22. Defendants' actions were not taken in accordance with the law, without  
4 observance of the procedures required by the law, and are arbitrary and capricious within the  
5 meaning of the Administrative Procedure Act ("APA"), 5 U.S.C. §§ 701-706. Defendants'  
6 failure to remedy their mistakes in the patents constitutes an ongoing violation of the APA and an  
7 evasion of its important non-discretionary duties under the law. *Id.*

8 23. The acts of Defendants constitute final agency action and the unlawful withholding  
9 of action. Mesa Grande is entitled to legal review of the Defendant's action under 5 U.S.C.  
10 § 702.

11 24. Mesa Grande has suffered legal wrong and is aggrieved and adversely affected  
12 thereby. Mesa Grande is entitled to have this Court decide all relevant questions of law  
13 concerning Defendants' obligations and responsibilities under the law, and to have this Court  
14 issue corresponding declaratory and other equitable relief. Mesa Grande is further entitled to  
15 mandatory injunctive relief compelling Defendants to perform their duty and to prevent further  
16 interferences with its rights.

## 17 SECOND CAUSE OF ACTION

### 18 (Violation of Statutory Trust Obligations – 25 U.S.C. § 345)

19 25. Mesa Grande incorporates allegations 1 through 24.

20 26. Mesa Grande is composed of members that are in whole or in part of Indian blood  
21 or descent.

22 27. Mesa Grande has been unlawfully denied or excluded from the patents held in trust  
23 by Defendants that encompass Mesa Grande's tribal lands to which Mesa Grande is lawfully  
24 entitled by Act of Congress. Under 25 U.S.C. § 345, Mesa Grande may commence and prosecute  
25 this action against the United States as a result of the errors committed by Defendants with  
26 respect to said patents.

27 28. Defendants owe to Mesa Grande the duty to ensure compliance of the obligations  
28 of the United States as trustee for its benefit. By continuously failing to remedy the errors in the

1 patent, Defendants are in violation of its statutory trust obligations and is subject to this action.  
 2 Mesa Grande is entitled to an order in the nature of a writ of mandamus to compel Defendants to  
 3 perform such duties.

### 4 **THIRD CAUSE OF ACTION**

#### 5 **(Violation of Common Law Trust Obligations)**

6 29. Mesa Grande incorporates allegations 1 through 28.

7 30. Mesa Grande is composed of members that are in whole or in part of Indian blood  
 8 or descent.

9 31. The federal government owes Mesa Grande a common law trust obligations to  
 10 provide Mesa Grande with secure title to its land.

11 32. Mesa Grande claim to have been unlawfully denied or excluded from the patents  
 12 held in trust by Defendants that encompass Mesa Grande's tribal lands to which Mesa Grande are  
 13 lawfully entitled. Mesa Grande's right to land stems from, *inter alia*, Indian title, historic  
 14 occupation of the land, the General Allotment Act of 1887, and the various executive orders  
 15 regarding Mesa Grande's land rights. Based on federal common law regarding the federal  
 16 government's tribal trust obligation, Mesa Grande commences and prosecutes this action against  
 17 the United States as a result of the errors committed by Defendants with respect to Mesa Grande's  
 18 land rights.

19 33. Defendants owe Mesa Grande a duty to ensure compliance of the obligations of  
 20 the United States as trustee for its benefit. By continuously failing to remedy the errors in the  
 21 patent, Defendants are in violation of its statutory trust obligations and is subject to this action.  
 22 Mesa Grande is entitled to an order in the nature of a writ of mandamus to compel Defendants to  
 23 perform such duties.

### 24 **PRAYER FOR RELIEF**

25 WHEREFORE, Mesa Grande prays:

26 (1) For a determination that Defendants are in violation of the Administrative  
 27 Procedures Act.

28 ///

- (2) For a determination that Defendants are in violation of their statutory trust and common law obligations to Mesa Grande.
- (3) For a determination construing the obligations of Defendants to Mesa Grande, declaring that Defendants have breached, and continue to breach, such obligations and directing Defendants to comply with said obligations.
- (4) For a preliminary and mandatory injunction compelling Defendants to vacate the patents and issue new patents reflective of Mesa Grande's actual use and occupancy of the lands at issue.
- (5) For a preliminary and mandatory injunction restraining and enjoining any hindrance or interference with Defendants' exercise of their statutory duties.
- (6) For a preliminary and mandatory injunction restraining and enjoining any hindrance or interference with Mesa Grande's lawful use, possession, and ownership of Tracts One and Two.
- (7) For an award of Mesa Grande's costs of suit, including, without limitation, attorneys' fees under the Equal Access to Justice Act and under general principles of law and equity, and the fees and costs of expert assistance.
- (8) For such other and further relief as the Court may deem just and proper.
